Dear Joe:

Thank you for directing your recent cy pres to the National Consumer Law Center

As you know, the weakened economy and events like the foreclosure crisis have exponentially increased the work we must all do to protect and defend the rights of low- and moderate-income consumers. Now more than ever, gifts from friends/colleagues like you are essential to us. That is why the cy pres you directed to us is especially appreciated.

I can't thank you enough for your support of NCLC. Thank you for thinking of us and the work we share.

Sincerely yours,

Willard P. Ogburn  
Executive Director
