

Press Release**INVESTIGATION OF CALLS MADE TO PSEG
UTILITY CUSTOMERS' CELLULAR TELEPHONES**

December 9, 2015.

Tusa P.C. is investigating calls made by Public Service Enterprise Group (PSEG or PSE&G) to its current or former utility customers' cell phones. We are also investigating calls made by debt collectors working for PSEG to customers' cellular telephones.

Telephone calls or text messages made to consumers' cellular telephones without their consent may violate the federal Telephone Consumer Protection Act (TCPA). As reported in *Newsday*, **Tusa P.C.** has filed claims against utility companies for allegedly violating consumers' privacy rights protected by the TCPA.

Under the TCPA, it is unlawful to call a cellular telephone using an automatic telephone dialing system or an artificial or pre-recorded voice, unless the consumer has provided their prior express consent to do so.

If you have been a victim of these or similar practices by PSEG or any debt collector hired by the PSEG during the past four years, please contact us by email at info@tpcnylaw.com, through our website www.tpcnylaw.com or by telephone at (631) 407-5100.
