**Settlement Payments Distributed to Class Members in
Class Action Settlement with Washington Mutual, Inc.**

December 28, 2013.

Tusa P.C. is pleased to announce that yesterday the Administrator of the class action settlement with Washington Mutual, Inc. added the following update on the settlement website (www.casseseclassactionsettlement.com) noticing the mailing of settlement payments to claiming class members:

Settlement checks were mailed by the Settlement Administrator on December 27, 2013. If you are a Class Member that submitted a timely and valid Proof of Claim Form and did not receive a settlement distribution check, please contact the Settlement Administrator immediately at 1-877-695-7497.

Settlement checks totaling \$11.1 million were mailed to 529,162 Claiming Class Members. Because the total amount of Disputed Fees paid by Claiming Class Members exceeded the Net Settlement Fund, Claiming Class Members received a *pro rata* distribution of the Net Settlement Fund pursuant to Section 6.5 of the Settlement Agreement.

The amount of Claiming Class Members' claims were calculated by the amount of the Disputed Fees challenged and settled in the underlying litigation and then reduced *pro rata*.
